# Amendments worksheet constitution quest

Name: \_\_\_\_\_ Ms. Peysner  
Date: \_\_\_\_\_ American Literature

## The Great Gatsby 1920s Web Quest

Directions: Below are a list of 1920s topics with questions and websites. Visit each website to find the information that answers each question. Write your answers in the space provided.

- You may work with one partner.
- Each pair will work on one computer.
- Each person will hand in his/her own worksheet.

1. Prohibition
  - a. 18<sup>th</sup> Amendment
    - i. [http://www.archives.gov/exhibits/charters/constitution\\_amendments\\_11-27.html](http://www.archives.gov/exhibits/charters/constitution_amendments_11-27.html)
    - ii. [http://www.albany.edu/~wm731882/18th\\_amendment\\_final.html](http://www.albany.edu/~wm731882/18th_amendment_final.html)
  - b. Effects of Prohibition
    - i. [http://www.digitalhistory.uh.edu/database/article\\_display.cfm?HHID=441](http://www.digitalhistory.uh.edu/database/article_display.cfm?HHID=441)
    - ii. <http://prohibition.osu.edu/>

What exactly did the 18 <sup>th</sup> Amendment outlaw?
How was prohibition enforced? Explain some of the ways.
How did people still drink during prohibition? Where did they drink, and where did they get their alcohol?

2. Popular Entertainment
  - a. Mass Entertainment (Radio, Sports, Jazz, Film)
    - i. [http://www.digitalhistory.uh.edu/database/article\\_display.cfm?HHID=455](http://www.digitalhistory.uh.edu/database/article_display.cfm?HHID=455)
  - b. Fads

## The Constitution of the UNITED STATES

Name: \_\_\_\_\_  
 Today's Date: \_\_\_\_\_

Say this aloud with the teacher:  
 We the people of the United States, in Order to form a more perfect union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general welfare, and secure the blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

- (Listen to the teacher discuss these parts of The Preamble to The Constitution, then answer the questions.)
1. What is a **union**?
  2. What is **justice**?
  3. **Domestic tranquility** means peace inside \_\_\_\_\_.
  4. **Common defense** means that defense is for \_\_\_\_\_.
  5. **Welfare** means a good life, and **general** means for \_\_\_\_\_.
  6. What are some of the **blessings of liberty** that people should have?  
 \_\_\_\_\_  
 \_\_\_\_\_
  7. **Our posterity** means that creators of The Constitution wrote it for the people then as well as \_\_\_\_\_.

Fill in the blanks with the correct words in The Preamble to The Constitution of the United States.

\_\_\_\_\_ the people of the \_\_\_\_\_  
 in order to \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 provide for the \_\_\_\_\_  
 promote the \_\_\_\_\_, and  
 secure the \_\_\_\_\_ of \_\_\_\_\_ to  
 ourselves and our Posterity, do ordain and  
 this \_\_\_\_\_ for the \_\_\_\_\_.

Amendments 11-27

## Bill of Rights Worksheet

**Directions:** Read each situation below very carefully. Next name the amendment or Bill of Right that is being exercised in each of the following situations in the space provided:

1. Arturo was stopped by a police officer on his way home from school. The police officer wanted to search Arturo's backpack because he heard a teenage boy had just robbed the candy store on the corner. Arturo said to the officer, "Do you have a warrant?" The officer said, "no." Tigran informed the officer that he could not search his bag because it violated his rights. \_\_\_\_\_
2. Esperanza arrived home one evening to find a member of the United States navy sitting at the dining room table eating dinner with her parents. Esperanza quickly turned to her parents and said, "Why is there a military person in our home?" Esperanza's parents said, "We were told we had to house this soldier." Esperanza quickly kicked the soldier out and said to him, "Read the Bill of Rights." \_\_\_\_\_
3. Rafi is upset over the current curfew effecting teenagers throughout Glendale. Rafi decided that he was going to collect as many signatures as he could on a petition and present it to the city government's office. \_\_\_\_\_
4. Joseph, a recent immigrant to the United States, was driving around the city of Los Angeles and noticed that there were churches and temples from several different religions located throughout the city. He was amazed at the fact that people in the United States could practice and worship any religion of their choice. \_\_\_\_\_
5. On January 10, 2002, Gerard was arrested for trespassing on his neighbor's property. When he appeared before the judge to set his trial date, the judge told him his trial would take place on January 24, 2006. Juan immediately informed the judge that this date was unacceptable. \_\_\_\_\_
6. Nowhere in the Constitution does it talk about what part of the federal government is in charge of education. Today each individual state controls and sets the standards for their state's educational system. \_\_\_\_\_
7. Mary was caught littering in the park one day after school. When she went to trial, the jury found her guilty since there was a ton of evidence showing her guilt. The judge decided to give Mary a special sentence. He wanted Mary to walk from Los Angeles to Washington D.C. Along her journey across the country, Mary had to fill up 1 million bags of trash with litter she found along the roads. Mary quickly informed the judge she did not have to fulfill this sentence. \_\_\_\_\_
8. Stephanie was told that she could not wear her favorite shirt anymore. Instead she had to wear shirts that were only approved by the federal clothing agency. Stephanie knew that this rule could not possibly be true because she learned about the Bill of Rights in school. \_\_\_\_\_
9. Elias wrote a nice lengthy article for the *Daily News* describing the changes students would like to see at Roosevelt Middle School. The principal tried to stop Elias's article from being published in the local newspaper, but she was unsuccessful. \_\_\_\_\_
10. Nancy visited one of her elderly neighbors and noticed that she had a gun locked away in one of her cabinets. During the visit, Nancy turned to her neighbor and asked, "Why do you have a gun in your \_\_\_\_\_"

### Amendment worksheet

Amendments worksheet quizlet. Amendments worksheet answers. Amendments worksheet answers quizlet. Amendments worksheet answers key.

The sixth amendment expressly establishes that in all criminal prosecutions, the defendant will enjoy the right to a muddy trial and paid by an impartial jury within the district of the crime, and will be informed of the nature and the cause of the accusation. No. (Art. 4). How can it be said that the signing of the constitution was unique, when the deputies of only twelve states signed and some delegates refused to sign? There are none. Education is a matter reserved for the United States. Does any restriction on the number of deputies who could send a state? The "rimino" rmino is used in "flexible" opposition because the provisions are in a written document that cannot be legally changed the same ease and in the same way as ordinary laws. About seven or eight members present on July 4 never signed; Seven signatories, including Richard Henry Lee, from Virginia, who proposed the resolution of independence, were not present at the day; and eight other signatories were not members of Congress until, July 4. How did the phrase "United States of America" originate? This was not the first case in which the authority of a Congress law was questioned in a case before the Court. Delegates can be appointed for committees and have the right to talk about any subject, but not vote (art. The request of the law, 1628, against the abuse of the real prerogative, the law of habeas corpus, 1679 and the declaration of rights, 1689, to establish the statements of the request, they are the great English documents of the modern times about popular freedom. They investigate how they structure the government, address individual rights, describe the amendment process and more than Was there harmony in the conviction? The Supreme Court of the United States? Also the judges in the Circuit Court, already in 1792, refused to act as commissioned under a law of Congress, considering the unconstitutional law. What were the other two? 420); However, there was no practical existence until April 6, when first the presence of quades in both C amaras allowed the organization of Congress. Is the right to the piping proof guaranteed? No. The Court has repeatedly declared that it does not claim such power. However, this last could have signed it, in which case Office was in the same building in which the Convention was held. The deputies discussed the plans proposed until, on July 24, 1787, a substantial agreement was reached, a detail committee was designated, composed of John Rutledge, from South Carolina; Edmund; Randolph, from Virginia; Nathaniel Gorham, by Massachusetts; Oliver Ellsworth, from Connecticut; and James Wilson, by Pennsylvania, who on August 6 reported a draft that included a pre-pay and twenty-three articles, which incorporated fifty-seven sections. How many legislators were members of the constitutional conviction? After Washington had been inaugurated, North Carolina and Rhode Island ratified, or it can be taken for public use without fair compensation. For the eighth amendment, the cessive bond and the cruel and unusual punishments are prohibited. See the constitution from the perspective of its fundamental principles. The decimotava amendment will remain in the constitution, but a notation will be added to the effect that it is repealed by the first twenty. 5; second. The attorney general, also provided for in the law, was during The president's legal advisor. In the first session of the First Congress Congress Did many proposals be considered? The Secretary of State, on behalf of the President, can grant recognition without appealing to Congress (art. Is it possible to accuse a judge of the Supreme Court? ) Our course includes more than 100 videos and study that accompanies all the essential content, making it more accessible to all students. What does the "father" of the "father" mean Mara of representatives? It has been affirmed that the amendment of prohibition was the first instance of incorporating a statute into the constitution. Many others that were considered necessary as elements of a declaration of rights were offered. Meanwhile, the colonial charters became the basis of the claims of the Americans on the "rights of the English", and were the predecessors of the state constitutions, which owe their origin to the American revolution. a cabinet? The Comptroller General of the United States is and the assistant of the Comptroller General have long tenure. This is what the Supreme Court calls "reasonable construction" of the Constitution (art. The speaker can lead to the Sergeant de Armas, the executive officer of the C amara, to withstand the Maza from top to bottom of the halls as a reminder that the dignity and decorum of the C atra should not be overthrown. The Journal Senate tells him as follows: "The C atara of Representatives, preceded by his speaker, entered the Senate Camara and assigned them to the escalations; and the Committee, preceded by its president, okay to order, he presented the president of the United States to the Senate C amara, where he was received by the who did the chair: When the vice president informed him, that 'el' el And the world of representatives was ready to assist him to provide the oath required by the constitution, and that he would be administered by the Foreign Minister of the State of New York", which the president responded, he was ready to continue: ----and being attended to the gallery in front of the Senate C amara, by the vice president and the senators, the speaker and the representatives, and the other public characters present, the oath was administered. After which the Foreign Minister proclaimed: "Long Live George Washington, president of the United States. The president returned to his seat, after a brief pause, emerged and addressed the Senate and the world of representatives. All subsequent constitutions show his influence. It has been widely copied worldwide. II. Sec. No person can be convicted of a crime, except for the testimony of two witnesses of the same manifest act or in confession in an open court (art. United?) The Constitution establishes this. One of the firms are those of an absence agent, John Dickinson, of Delaware, added to George Read request, who was also of Delaware. Our constitution, adopted by sovereign power, it is amendable only by that power. What the law has a territorial delegate in Congress? No, does not, only guarantees them. "P. The constitution in several places seems to make a clear distinction between legislators and officials, although this has been disputed. S a. No. restrict the powers of the national government. Who was the penman who, after the text of the Constitution had been agreed, absorb it before the firm? Some of these declined, others They just neglected the Ber. Who administers the oath of the position to the president of the C amara or F Representatives? 3) They were both of this character. This is the so-called "Pato amendment What changes the time for the beginning of the president's terms, vice president vice president and the members of Congress. Does it be vigilant by the electoral school? Benjamin Franklin, from Pennsylvania, then 81; and Jonathan Dayton, from New Jersey, 26 years old. There was probably 34, of 55, that at least they had done a study of the law. No one in a criminal case can be forced to witness against themselves, or be deprived of life, freedom or property without the due process of law. No. He had been appointed commander in chief of the continental ejito more than a year before and at that time he was with the extent in New York City. No. Art. 8. Cl. If the law goes beyond the powers granted by the Constitution, then it is not a law, and the Supreme Court simply establishes that the fact (art. What did the Supreme Court formally affirm its opposite authority to an act of Congress? The judges are, but the others are probably not. Declaration of independence. It is said that when the first amendments were presented to the constitution, there were twelve years, of which ten were adopted. Four, two in Virginia and two in Maryland, did not vote; and the eight votes to which which New York was not issued because the legislature could not reach an agreement on how the voters should be appointed. And how did the identity of the commissioner determined? The mace consists of thirteen bars of 4 1/2 feet long, which represent the thirteen original states. 2. Cl. Washington received the unique vote of the voters at their first election set as president? What is the Supreme Law of the Earth? How many amendments to the Constitution have been repealed? Compare and contrast the constitutions of the USA and OHIO in this prostrum lecion using extracts of both documents. In the course of ratification, how many amendments offered by state conventions? In the conviction in S a always were as "deputies." Washington, for example, signed his name as "deputy of Virginia." The point is simply that what would be called only, were representatives of their states. Art. No. The Constitution grants the Executive Power in the President. How did the first inauguration proceeded? A territorial delegate is in the C amara of representatives of each organized territory. The president, the vice president, the Senate and the C atra of Representatives, etc. Virginia, 3 Dallas 378). The original proposal of this was to avoid any possible breach of the decorum and separate the political from the personal character of each member (art. When the United States government under operation under the constitution under the constitution? Constitutional submitted to the President? In any of the relatively scarce records of the constitutional conviction is the literary authors of any part of the constitution definitively established. The declaration of independence: 29 7/8. Does the importance of the work that work that had done? 3). The State, Treasury and War departments were created by the first session of the First Congress. While many oppose the general peers, as the first is called, everyone is pleased to organize a couple for a specific measure if a senator is not prevented from being present (art. How much was paid by the magazine maintained by Madison The Constitutional Convention? Some of the states called their "delegates" representatives; some, "deputies"; and some, "commissioners", the terms often mixed. There were only six at the time when President Grant made The first restorative quotes. Speed, speed, 5 Wheat, Rhode Island and Providence Plantations. What should Thomas Jefferson have to see the constitution? If, after a bill has approved both Congress and have gone to the President, Congress wishes to remember it, can this be done? How late was it to frame the constitution? The Maza is the symbol of the primary authority of the house within its own sphere. Madison (1803). The word is of latin and means "prohibo". The president is authorized by the constitution to reject his consent to a bill presented by Congress if for any reason he disapproves. Several of these covered the same issues. The bill was prepared with an extraordinary capacity by Senator Oliver Ellsworth, of Connecticut, who had been deputy of the constitutional conviction and that he would become the president of the Supreme Court of the United States. After the concurrent resolution passes both houses, the president is formally transmitted. Is this correct? The amendment seven retains the right of judgment by jury in customary demands that involve the value of more than twenty dollars. Therefore, when the C aman wants to "get up" from the committee of the whole business and resume the business as a legislative body, raising the mace to its pedestal automatically affects the transition. Daniel Webster, from Massachusetts, due to its overwhelming and eloquent sentences that interpret the document. In the famous case of Marbury v. What is the betrayal against the United States? On September 13, 1788, Congress adopted a resolution declaring that voters should be appointed in the ratifiers the first mini of January 1789; that the voters vote by president the first mini of February 1789; and that "the first March of March the next [March 4, 1789] is the current time and headquarters of Congress the Congress to begin the procedures under said constitution. "The convent had also suggested" that after said publication the voters should be designated and the elected representatives. "The constitution left the states control over the choice of congressmen, and Congress said nothing about this in their resolution; but the states proceeded to hold it, so as for the appointment of voters. The real literary form. It is believed which is largely that of Morris, and the main testimony of this is in Madison's letters and documents, and Morris's statement. Only thirty-nine signed. Of the Congress? Who appoints the president of the court Supreme from the United States and for how long a minus? place of its name? Silver balloon of approximate If you. Adding another amendment. When the house is sitting as a body, the mace rests in vertical position on a pedestal to the right of the speaker's pant; When the mace is sitting in the committee of everything, the mace is located on the floor of its pedestal.
