In addition to dozens of collectibles, DBZ: Buu's Fury has cheats and glitches that make it easier to earn the title of Eternal Dragon. When you perform the Fusion Dance with Goku/Vegeta or Goten/Trunks, ignore the button prompts and enter the following to always get a perfect fusion: Up, B, Left, Down, A. Toei Animation / Nintendo There's a glitch you can exploit to temporarily duplicate equipment: Equip Goku and Goten or Vegeta and Trunks with the items you wish to duplicate. Perform the Fusion Dance to create Gogeta or Gotenks. Remove the equipment from Gogeta/Gotenks and give it to another character. Gogeta/Gotenks will keep the equipment, so you'll have two sets until the fusion timer runs out. There's a glitch that gives you 255 Senzu Beans. When Gohan asks Goku to bring him a Senzu Bean during the World Tournament Saga: Fly to Korin's Tower. Retrieve the bean from Yajirobe, then eat it. Go back and talk to Gohan. Check your inventory to find a stash of 255 Senzu Beans. There's a store on the Kai's planet that sells powerful armor and items to help you level up. When you beat Buu in Chapter 11, a portal will open in Kami's Lookout that will let you go back to previous areas. After beating the game, go to Southwest Forest and take the path that leads to the level 120 Vegeta Door. The Majin Fighters that come out of the door will randomly drop the Z Suit, so fight them until you get it. Continue down the path to find the Armor Of Darkness in a chest.
